

2 WAYS to get your instrument...

WHITE ROCK • VANCOUVER • VICTORIA

1

Purchase with a Buy Back Guarantee

OUR BEST PRICE AND RISK FREE! Our cash buy back program allows you to own your instrument now at our best price and have the option of returning it later if needed. If you need to return your instrument, just bring it back! We will refund your money less the monthly rental payments that would have applied for the time you had the instrument. You end up only paying what you would have paid in rent. You can save hundreds of dollars over renting!

2

Choose our flexible Rental Program

With our rent to own program, **100% OF YOUR RENTAL PAYMENTS APPLY TOWARDS OWNING YOUR INSTRUMENT** (rent to own price*). There is no obligation to own your instrument, however we feel it's better to invest in an instrument instead of just paying rent. You can buy out your instrument at any time and receive a 25% discount off your remaining balance. Choose from our monthly or discounted school year rates.

If you need to exchange your instrument your payments follow you! Your rental credit will transfer over and you just carry on. Teachers love this feature because it gives them the flexibility to work with students to find the best instrument or adjust the balance of the band without parents incurring any financial hardship. We want you to succeed in music so we've designed this program to be as simple and flexible as possible!
