

Dear Parents and/or Guardians,

This year, Lenwood has chosen to participate in the **Soupermeals** program which provides a shared hot lunch experience for **all** students made from local ingredients. There is **NO** charge for this program, and it includes a bowl of homemade soup (made by Zest Food Hub), a bun and fruit.

The dates for our soup days are:

Oct. 11 – Taco Soup with taco chips

Nov. 8 – Mac and cheese with fruit

Dec. 6 – Chicken Noodle soup with a bun and fruit

Gluten free buns are available on the online ordering system.

This program is for all students. The soup program will be incorporated along with our Hot lunch program. If you would like to participate in either program, please see the attached letter to re-sign up for Hot lunches or if you are new to the program please Register for the hot lunch or soup program. There is no cost to only ordering the soup option. We will use the online ordering system to calculate how many soups we need on the soup day so please register your student in their appropriate class.

If your student wishes to **not** participate, just leave the soup order blank.

If you have any questions, please contact the school at 250-546-3476

We look forward to providing a lunch for every student on our soup days!

Students enter to win a prize in the drawing contest!
